 - 5. All athletes must be academically eligible. **Academic eligibility is as follows:**
 - a. **Students must be passing all subjects in order to participate in athletics. Students who receive any failing grades on the quarter report card will be declared ineligible until such grades are brought up to a passing level at the next interim.**

 - c. **Students will begin to serve the probation on the day the report cards are distributed/mailed and may be re-eligible, provided the grade is above 70, on the day the next interim is distributed/mailed.**
 - d. **In addition, any student who fails one or more courses in both the 1st and 2nd quarters will be ineligible to try out for a spring sport.**

- D. Student/Athletes will be required to pay a \$100 fee, per season, to participate in athletics (not to exceed \$200). The fee is due to the business office two weeks after the

Uniforms

Team uniforms and athletic equipment are property of *The Catholic High School of Baltimore* and must be properly cleaned and returned promptly at the end of the athletic season. Uniforms should be placed in a bag with the student's name marked clearly on the outside and placed in the athletic office. Students will not be eligible to start a new sport season, receive a report card or diploma until all athletic equipment is returned. The athlete will be billed for the cost of any item not returned. In addition, the athlete will not be allowed to participate in additional sports until the item(s) have been returned or the bill has been paid. Uniforms are only to be worn while participating in a game or event for Catholic High.

Transportation

- A. PRACTICE - The school will provide van/bus service to off campus practice sites for those who need it. Parents/Guardians are expected to arrange transportation from each practice and are to pick-up their daughter from the practice site **ON TIME**. Students who can drive must have the "student vehicle use" form signed and returned prior to the start of her sport(s) season.
- B. GAMES/SCRIMMAGES - Team members must travel to all away games on the bus or van provided by the school. Students may NOT drive to games (unless parent permission has been given in advance). The hired bus service will return to school after each game. Parents/Guardians may transport their daughter's home from away games provided they have notified the coach. Parents/Guardians who wish to have their daughters transported home by another person must also notify the coach in advance. All other driving arrangements must be cleared through the Athletic Director.

Attendance

- A. Playing a high school sport is a privilege! Students who make an athletic team are required to attend all games and practices established by the athletic department and the coaches. In the event an athlete must miss practice due to an appointment (i.e., doctor, dentist, etc.), notification must be given to the coach prior to the day of the scheduled absence. If an athlete is absent from school for the entire day, and the absence has been properly reported to the school and is considered an excused absence, she will be excused from practice/game without penalty. Athletes should restrict all excused and unexcused absences. Athletes who have three (3) unexcused absences will be dismissed from the team.
- B. Participation in a high school sport requires daily practice and attendance at games. Students must be present each day. Therefore, students who wish to participate in the fall and winter plays/musicals will not be eligible to try-out for a team because of the time commitment that both activities require.
- C. Students must be present in school by 10:50am to participate in after-school sporting events (or if the student dismisses school early, the time in school must be at least 3.5 hours). This includes attending practices, games, team meetings and riding on the

school-chartered bus or van. If the student is absent or arrives after 10:50am (or in school less than 3.5 hours) the student will not be permitted to attend any game or practice scheduled for that day.

- E. It is our policy that if a student misses a practice the day before a game, she will not start in that game. It is up to the discretion of the coach as to when the student may enter that game. If a student misses two or more practices prior to a game day she will not play that game at all (but is expected to attend and support her team). For our teams that do not name “starters”, the Coach and Athletic Director will determine the appropriate sanction.

Athletic Trainer

The certified athletic trainer will be responsible for the care and prevention of injuries for all athletic teams at The Catholic High School of Baltimore. The ATC will work with physicians to make return to play decisions following all injuries. In addition, athletes will be required to pass the baseline test following any concussion or head injury.

are forfeited.
