Incoming Student Community Service Hours Log Sheet April 30, 2022-September 11, 2022

First Half Due (15hrs)	Final Hours Due (Total=30hrs)
January 2, 2023	April 28, 2023

All hours from April 30, 2022 - September 11, 2022 must be submitted on paper.

All hours from September 12, 2022 - April 28, 2023 must be submitted through TCHS' service app. Once a TCHS email has been created for you, you will receive directions for claiming your official service app account from Mrs. Baxter in August. *Please do not create your own*.

Please use the form below to document your Christian community service hours and responsibilities. When documenting recurring service, please use a new line for each week of service. If you would prefer to attach an official log or formal documentation from an organization, all columns must be filled in other than date & time in order to be considered complete.

Take this form with you on the day of your service so that you can have it signed at that time by a member of the organization.

Turn in all paper logs to Campus Ministry Office by September 12.
