## President's Message

Dear Friends of Catholic High,

Our 2021-2022 Green & Gold Fund Campaign, *Stewardship: Embracing Innovation* ended successfully on June 30, 2022. We thank our alumnae, faculty, staff, families and friends for the gifts they give to enrich our school community. As we meet with our donors and alumnae at various events, we experience the sincere love that you have for our young women and Catholic High.

Each year, our students amaze me as I watch them grow into empowered women prepared to change the world for the better! Our Visual & Performing Arts, STEM (Science, Technology, Engineering, and Math), Law & Leadership and Athletic Programs continue to attract creative and visionary minds. These strong programs taught by talented teachers facilitate our students' acceptances into top colleges and universities with significant scholarships and awards. This year, 69 seniors from the Class of 2022 received a record-breaking \$13,182,179.00 in scholarships, grants, and awards.

In addition to being proud of our students' academic achievements, I am pleased to present this Annual Report acknowledging our many benefactors and friends who helped us exceed our annual goal of \$800,000 this year (\$1,138,044.06) and bring our 80<sup>th</sup> Campaign to a successful conclusion in April of 2022. We raised 4.4 million dollars over three years, two of which were during a pandemic. Once again, our Board of Trustees, faculty/staff, alumnae and friends were instrumental in helping us to accomplish our goals evidenced in this report. Our Reunion Class Giving Program, Alumnae Awards' recipients, 80<sup>th</sup> Campaign Summary and special events are also highlighted in this report. I hope you will take the time to enjoy the information about Catholic High and our donors.

I extend my deepest appreciation for your continued patronage and confidence. Your support means so much to the Catholic High community. It is only through the generosity of our committed donors that we continue to grow and achieve our mission of educating young women in the Franciscan tradition. *With your support, we have successfully completed our 83<sup>rd</sup> year and can move boldly into the future.*
